ALICE I. BRADLEY

MT. CAESAR UNION LIBRARY

Several groups have visited the library during the past year: Girl Scouts, Jack & Jill Nursery School and the four classes of the second grade at Mt. Caesar School. Again the summer reading program proved very successful. The theme was adopt-a-pet and a model of the Humane Society Animal Shelter was borrowed from the Keene Public Library. The program for grades one through six started June 23rd and ran through August 28th closing with movies and presentation of a certificate to each child enrolled. Seventy-one youngsters were enrolled and read 711 books.

In 1968, our library borrowed 4,046 books in three visits of the Bookmobile and in 1969, 5,354 books in four visits. These additional books make it possible to keep our collection up-to-date with a greater number of books available to our borrowers. During the year, 11,733 books, 627 magazines and 183 records circulated. When necessary, specific books and subject matter are borrowed from the Keene Public Library, the State Library in Concord or from other libraries in the state.

Because of the cut in Federal funds, some services such as centralized purchasing, cataloging and classification from the State Library have been discontinued. Every effort is being made to maintain Bookmobile schedules and displays of new books — this latter is a valuable aid in book selection.

A refresher course in cataloging and classification was completed by the librarian and the assistant librarian, Mrs. William O'Gorman, who also took the course "Services for adults and young adults".

The trustees volunteer to staff the library each Monday evening as well as help with story hour time, preparation of books

and records for circulation, mending or whatever else needs to be done.

Several books, new and used, have been given to the library—some of these as memorials. These gifts are much appreciated.

Respectfully submitted,

MRS. JOHN PALM
Librarian

Report of the Forest Fire Warden and District Chief

Less fortunate than our northern towns, we had too many fires. Carelessness in burning trash and discarding smoking material and children playing with fire caused most of the fires. Your Forest Fire Warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires. A synopsis of these laws follow:

FIRE PERMIT

A fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning. Such burning is restricted by regulation to be prior to 9:00 a.m. and after 5:00 p.m.

EXCEPTIONS

Commercial or industrial burning is allowed anytime under normal conditions with permission of the District Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

PENALTIES

1. For kindling a fire without a permit. Maximum of \$200.00 fine; or imprisonment for not more than 60 days.
2. For kindling a fire by any means wilfully or recklessly that shall endanger woodlands the maximum fine is \$500.00 or one year's imprisonment.
3. For failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.
4. For dropping inflammable material in or near woodland, maximum fine is \$25.00.

Fire prevention is a personal matter and a good habit. Keep our town free from smokes in 1970.
